## **"Vocational Rehabilitation of Disabled in India - Principles & Practice"**

**Narasimham Rayadurgam**

### **Background**

We professionals undertake,

- medical intervention,
- therapy,
- fitting of ability aids,
- education,
- skill development

All are aimed at the ultimate goal of entry of a person with disability into the employment market and get mainstreamed into the society. Vocational Rehabilitation as a concept and practice assists the disabled for final social inclusion

### **First Book with exclusive focus on Vocational Rehabilitation in India or Indian conditions**

This Book is the culmination of author's practical interaction with thousands of persons with different disabilities in different parts of the country during the last **50 years** and is an attempt to enlighten professionals - future and present - on the philosophy and steps to be undertaken to bring the disabled into the employment market and help him/her seamlessly integrate into the society. The Book would be useful to even professionals who are not directly dealing with vocational rehabilitation but can get an insight into the principles to be followed.

### **Book Aimed at:**

- **Decision Makers,**
- **Policy Makers,**
- **Educationists,**
- **Administrators,**
- **Teachers,**
- **Students,**
- **Researchers,**
- **Therapists,**
- **Skill Developers,**
- **Managers**
- **Practitioners**

### **Target Courses**

- MSW, M.R.Sc., M.A. (Disability Studies), M.D.R.A, DVR (MR).
- A new course on Diploma in Vocational Rehabilitation (Cross Disabilities) is about to be notified.
- Every RCI course has a component on Vocational Rehabilitation in their syllabus.
